## ULTRA COLD REUSABLE GEL PACK

**1 YEAR  
WARRANTY**

“The use of ice has long been an established standard of treatment that many manufacturers have attempted to replicate, but have not mastered. **ThermoActive Cold Packs** provide an excellent medium of treatment while incorporating the long established psychological effects of cold.”

- Dr. Rod Walters, DA ATC

### THE MOST FLEXIBLE

Inner gel conforms to any body part even when frozen

### COLD FOR LONGER

Provides longer, colder therapy than other reusable cold packs

### MOST DURABLE

Thick nylon exterior & double sealed seams that won't crack or leak
